Product Rating:	C-LC75 37x76			
Rated Dimensions:	Max Width:	37 in	Max Height:	76 in

Qualifying Test Information:

Test Report No:	FTL-4909
Test Report Expiration:	10/10/2026

This Certification Authorization Report (CAR) is issued by Keystone Certifications, Inc. (KCI) after full validation review, and is based on a standardized evaluation of the product conducted by an independent accredited laboratory in accordance with the specified referenced standards. Actual fenestration product performance may vary based on many factors, including installation, condition of the wall/roof substrate and the age of the product and installation components.

This report indicates the product is eligible for the application of certification labels for the Keystone Fenestration Certification Program. Licensee stipulates in affixing certification labels to products, that those products are representative of the specimen evaluated and documented for certification authorization. Only products bearing such a certification label shall be considered certified. The information in this report can be verified at www.keystonecerts.com.
